

Welcome Sponsors!

The Detroit Chapter of ARMA International is soliciting Corporate Sponsors for the Program Event Calendar this year.

The mission of ARMA Detroit is to advance records and information management as a discipline and a profession. To organize and promote programs of research, education, training, and networking in the profession of records and information management. To support the enhancement of professionalism of members and to promote cooperative endeavors with related professional groups.

Corporate Sponsorships enable the chapter to maintain improved and expanded benefits of membership at a level well beyond what would be possible were the chapter to continue to depend solely on dues and program revenue.
